

Getting to Know Our Students

- A Peer Sharing Session

Date: 28 Nov, 2012 (Wed)

Time: 12:30 - 14:00

Venue: Room 3311, Lift 17-18

❖ Prof. Leung Pak Wo

Associate Dean
Director of Office of Academic Advising and Support
School of Science
(2007 Michael G Gale Medal for Distinguished Teaching
2006, 2007 Best Ten Lecturers,
2004 Science School Teaching Award)

After this session, you should be able to ...

- ✓ **Recognize the background of science students**
based on the results of Intake and Wellness
Survey 2011 (from CELT)
- ✓ **Gain insights** from the guest speakers: Prof.
Leung and Prof. Yeung
- ✓ **Come up with strategies** to enhance student
learning through discussion
- ✓ **Make a difference** in HKUST education

Please register with this QR code.

All science teaching staff are welcomed.

❖ Prof. Yeung Lam Lung

UG Programs Coordinator
Adjunct Associate Professor
Department of Chemistry
(19 years of teaching experience,
Residence Master)

**Organized by HKUST
School of Science**

Outcome Based Education (OBE) Team
